TWO POTENTIAL NEW PARTNERS

Since 2018, we've partnered with Salt and Light Coalition in Chicago, providing improv and public speaking workshops in their facilities once per month, including during the COVID pandemic. Once God showed us it was time to move this ministry to full-time, we've been looking for more organizations with whom we could partner.

While we are not at liberty to share the organizations' names yet, we have had very promising meetings with two organizations about bringing our ministry to them to serve their survivors.

One organization is a national group that has residential facilities in the Chicago-land area, a five others around the country. This group has expressed interest in creating a pilot program here in Chicago, and then seeing how our ministry could serve in the other locations.

Another organization is based in the Chicago suburbs and Dave was blessed to lead an improv workshop at their quarterly staff meeting. In some ways, this workshop served as an "audition" for future work with their survivors.

As soon as the partnerships are solidified, we'll let you know! In the mean time, would you consider praying for us? Pray for God to open more doors for us to serve!

More importantly, pray that we'd soon be out of work! I'd love for us to have to shift our ministry in the near future because there is no more sex and human trafficking, thus no one left for us to serve!

Also, if you'd like a digital copy of our letters to forward to friends, family, and others who would want to learn about us and potentially support us, please let us know!

Happy Thanksgiving!
